

Qualified Employee in the metal sector

Mr. /Mrs.

«Name1»

born on «Geburtstag»

successfully completed the "Qualified Employee" examination in accordance with the SystemCERT certification programme on «Prüfungsdatum» in «PruefOrt», thus qualifying for employment as a "Qualified Employee".

The certificate owner is certified by this competence proof that he/she owns the necessary knowledge and skills as a Qualified Employee in the metal sector.

He/She has acquired and proven to be in possession of the required knowledge with the following main focuses:

- ◆ marking, measuring
- ◆ to be able to use the current measuring and monitoring equipment
- ◆ filing, sawing, chiselling, drilling and rasping
- ◆ thread cutting, riveting, straightening and bending
- ◆ to be able to do simple welding jobs
- ◆ to be able to use protective equipment

The applied certification procedure corresponds to all international standards of the ISO 17024.

Certificate No.: «ZertNr»
valid through: «Erstgültig_bis_Datum»
Examiner/s: «Pruefer»

Leoben, «Ausstellungsdatum»
