

Test to become a qualified employee in the metal industry

COPY FOR EXAMINERS

Ladies and Gentlemen,

The test you conducted is part of a pilot project for the certification of qualified employees in the metal industry in accordance with Level 2 of the European Qualifications Framework.

The experience you gained in the course of your test will enable us to structure the test mode in such a way that it will be possible to use it in actual practice on a permanent basis.

We would therefore like to request that you answer the questions below and thank you for your valued cooperation.
